

Section 1 – Company Overview

ACME Corp (ACME) was founded in 1998 and is headquartered in Zhangjiang Hi-Tech Park, Pudong New Area, Shanghai, China. The company specializes in high-precision mechanical component manufacturing. The Chairman and CEO is Zhang Mingyuan, the CTO is Dr. Li Fanghua, and the CFO is Chen Zhiqiang. In 2025, annual revenue reached 4.86 billion RMB, with over 3,200 employees.

Section 2 – Products and Pricing

Product A: ACME-P100 Precision Bearing. Specifications include an inner diameter of 10mm, outer diameter of 30mm, and precision grade P4. Unit price is 185 RMB per set, minimum order quantity is 100 sets, and delivery time is 15 working days.

Product B: ACME-S200 Stainless Steel Spring. Specifications include wire diameter 0.5 to 3.0mm, material 304 or 316 stainless steel. Unit price is 8.5 RMB per piece, minimum order quantity is 500 pieces, and delivery time is 7 working days.

Product C: ACME-G300 Precision Gear. Specifications include module 0.5 to 2.0 and precision grade ISO Class 5. Unit price is 420 RMB per set, minimum order quantity is 50 sets, and delivery time is 20 working days.

Product D: ACME-H400 Hydraulic Valve Body. Specifications include working pressure 0 to 31.5MPa and ductile iron material. Unit price is 1,280 RMB per unit, minimum order quantity is 10 units, and delivery time is 30 working days.

Section 3 – Quality Standards and Certifications

All ACME Corp products have passed ISO 9001:2015 Quality Management System certification. Automotive components have passed IATF 16949:2016 certification. Export products comply with RoHS and REACH environmental standards. In 2023, the company was awarded the Shanghai Specialized and New Enterprise title. The defect rate is controlled under 50 PPM.

Section 4 – Warranty and After-Sales Service

The standard warranty period is 24 months from the date of shipment. The ACME-P100 Precision Bearing series enjoys an extended warranty of 36 months. Non-artificial quality issues during the warranty period qualify for free replacement. The after-sales support hotline is 021-5888-1234. Emergency technical support is available 7 by 24 at mobile 138-0000-5678.

Section 5 – Contact Information

Headquarters address is 12F, ACME Tower, 1688 Zhangjiang Road, Pudong New Area, Shanghai, China, zip code 201203. Sales inquiry email is sales@acme-corp.com, technical inquiry email is tech@acme-corp.com, website is www.acme-corp.com, fax is 021-5888-1235.

Section 6 – Key Partners

ACME Corp has long-term partnerships with SAIC Volkswagen Automotive Co Ltd, Siemens Healthineers Ltd, Bosch China Investment Ltd, and Honeywell China Ltd for precision component supply.
